The Literacy Pirates

Literacy Support Volunteer (Virtual)

age: 16+

We take children on voyages as readers and writers, and we're on the lookout for volunteers to join our virtual Crew.

Who are The Literacy Pirates?

Through our term-long, after-school programme, we develop the literacy, confidence and perseverance of children aged 9-13 who are falling behind in school and have fewer opportunities in their personal lives, so that they can succeed at school and beyond.

Children join us on our Virtual Ship once a week to practise their reading and writing. By welcoming them into our joyful spaces, publishing their work in the real world, and celebrating everything they do, we develop their literacy, confidence and perseverance.

What does a Volunteer Crewmate do?

As a Volunteer Crewmate, your role is to join our online sessions and help children practise their reading and writing, 01:2 and in small groups.

Sessions are led and managed by our staff team, which means your time is solely focused on supporting the children.

What are we looking for?

We ask volunteers to give just two afternoons every half-term, although you are welcome to volunteer as frequently as you like!

Sessions run every weekday from 3:45 to 6:15 p.m. and you will have the flexibility to select which sessions you would like to attend.

Apply via our website!

Frequently Asked Questions

Can I volunteer?

Anyone can volunteer. People already in employment, full-time or part-time, refugees and asylum seekers, retired, students, unemployed and anyone else not mentioned here. Really, volunteering is for everyone.

When can I start?

It can take a few weeks for you to go through the application and recruitment process. The one thing that often takes the most time is the DBS police check (formerly CRB), though not all volunteering requires a police check.

What about my expenses?

Organisations should pay your travel and out of pocket expenses. To be registered with us we require this. Please contact us if you have had difficulty securing these expenses.

Do I need particular skills to volunteer?

Sometimes, depending on the voluntary role. But very often no particular skill is required; the organisation will give you the right training for your role.

How soon might I be able to find a paid job after I volunteer?

There is no guarantee that volunteering will lead to paid employment. But you will get a lot out of volunteering including new skills, experience and confidence, which can help with job prospects.

Will I get any support as a volunteer?

You should be given an induction when you start, training that is relevant to your role and catch-ups or supervisions relevant to your role.

I am an asylum seeker - am I allowed to volunteer?

Yes - you can volunteer as many hours as you want. There are no restrictions on asylum seekers volunteering. You are not allowed to do 'unpaid work' but volunteering is different. You are allowed to volunteer in a charity. Ask us for more information.

I'm on benefits - can I volunteer without losing my benefits?

Yes, you can - plus volunteering is recognised as giving you a better chance of finding paid work. So, you can volunteer as many hours as you like while you are on benefits, as long as you still meet the terms for getting them. If you are claiming Jobseeker's Allowance, this will mean you still need to look for paid work and you must be free to start a job with one week's notice.

It might be good to discuss your volunteering with your benefit agency so they are in the picture.

I am under 18 - can I volunteer?

Yes, you can. The opportunities in this bulletin are for under 18s and are organised according to the age they're open to.

Any other questions? Please contact us on vc@vas.org.uk or 0114 253 6649 (Mon – Wed)
