Sheffield Action on Plastic

Reusable Cup Scheme Assistant

Sheffield Action on Plastic has a mission to work with the community to reduce single-use plastics. One way we do this is through a Reusable Cup Hire Scheme. Local businesses, organisations and individuals can hire reusable cups to use instead of single-use disposable cups.

We are recruiting Volunteer Reusable Cup Scheme Assistants to help us to run the scheme. The volunteers recruited will receive enquiries through a Google Form, respond to requests, visit the cup store, count up the required cups, and deliver the cups to the enquirer on a day and time convenient. At the end of the cup hire, volunteers will then arrange to collect the cups, count them, inform the Sheffield Action on Plastic Steering Group for invoicing, and take the cups to a designated washing location to be washed (no washing is required by the volunteer). Volunteers will then need to collect washed cups from this location and take them back to the cup store.

Be a Trustee!

Explore the latest
Trustee and
Management
Committee roles in
Sheffield

Why should I become a trustee?

- **Becoming a trustee could boost your career**

Trustees are exposed to a wide range of skills needed to oversee a charity: strategy and business planning, governance, HR, finance, marketing, fundraising, evaluation, property law and more. It can be an effective way to build your skills and your CV.

- **Become a trustee and give back to your community**

As a trustee, you can donate your skills, time and attention to a cause you love.

Trustees are often drawn to a charity because they're passionate about a particular cause, whether that's something they're interested in or something they've experienced themselves.

- **Become a trustee and share your skills, knowledge and experience**

Everyone has something unique to offer a charity.

What about the time commitment? Because charities are all so different, the time commitment can vary hugely – from around five hours per week to 30 hours per year - so it's vital you find a role that fits the time you can give.

Every trustee needs to:

- Make time to prepare for and attend meetings – sometimes once a month, but often 4 to 6 times a year; meetings vary from 1 to 2 hours to a full day each, depending on the charity and how often meetings are held.
- Be ready to support the charity between meetings or with other activities for example:
 - Considering issues over email or discussing matters over the phone with staff, other trustees, or the charity's external advisers
 - Helping organise a fundraising event or developing a fundraising strategy
 - Doing the bookkeeping for the charity
 - Acting as an ambassador for the charity
 - Sitting on a committee that looks in more detail at a specific aspect of the charity's work, such as finance, HR or safeguarding.

Help Shape the Future of Gleadless Valley Foodbank & The 189 Project

Location: Gleadless Valley, Sheffield (S14)

Role: Volunteer Trustee (up to 4 roles available)

Time commitment: We aim to meet once a month

Gleadless Valley Foodbank has supported local people facing hardship since **2013**. Today, through **The 189 Project**, we are growing our work beyond emergency food to support the wider wellbeing of our community — including food support, digital inclusion, early years activities, training, advice and community-led projects. We are now looking for **up to four new volunteer trustees** to join our board and help guide the next stage of our development.

This is an exciting time for the organisation as we strengthen our governance, grow partnerships and explore new opportunities to support local residents.

Who we are looking for

We welcome applications from people with a range of skills and experiences. You might have experience in areas such as:

- Finance / accounting
- Fundraising or grant funding
- Community development
- Governance or charity leadership
- Communications or marketing
- Local knowledge of Gleadless Valley

However, **please don't be put off if you don't have formal experience**. If you are from Gleadless Valley and are interested in the role, we would still love to hear from you. Many people bring valuable **transferable skills from work, volunteering and life experience**, and support can be provided for new trustees.

We are especially keen to hear from people who **live locally or have lived experience of the issues our community faces**, but this is not essential.

Why join us?

This is a chance to help shape a project that is growing beyond a foodbank into a wider community hub, supporting people and families across Gleadless Valley.

Interested?

If you would like to find out more or have an informal conversation about the role, please get in touch.

We are committed to building a **diverse and representative board** that reflects the community we serve.

We particularly welcome applications from people who are **currently underrepresented in charity governance**, including people from working-class backgrounds, people with lived experience of poverty, younger people, people from minority ethnic backgrounds, disabled people, and residents of Gleadless Valley.

We believe strong boards are made up of people with **different perspectives, skills and life experiences**, and we would love to hear from you if you are interested in contributing to the future of the 189 Project

The Furnival

Charity Trustee

Burgreave- based charity seeking new trustees

Who we are

The Furnival seeks to reach out into the very diverse community surrounding it. The Furnival was incorporated as a charitable limited company in 2013. Our vision is of a vibrant diverse and inclusive community, in which people know they are valued and fulfil their full human potential. We are part of our community, to provide a safe and stimulating space for listening, learning, growing and building relationships.

What We Do

The Furnival has responded to its changing community and adapted its activities over the years. Our current activities are varied but primarily include Creative English and Multiply (ESOL and numeracy for ESOL), a community cooking group using 'fair share food', group cultural and wellbeing outings to the cinema and countryside; a sewing group, and health and fitness sessions such as Pilates classes. We reach out to local women and children, from various international backgrounds.

Our Basis and Values

The Furnival has roots with the local Methodist church, however we serve and welcome participants and trustees of all faiths and none. The Furnival aims to create a public benefit through the provision of a physical base, which is a safe space for its beneficiaries, situated at the very centre of one of Sheffield's most deprived communities. The key policy is to provide access to resources and maintaining respect for everyone, irrespective of race, culture, gender, religion, ability/disability, or sexual orientation.

Our values are to help people help themselves by being:

- Holistic
- Caring
- Welcoming
- Inclusive
- Hopeful
- Effective

Our Trustees

We currently have 4 trustees, all with relevant professional experience, and a passion for the work of The Furnival. As a trustee group, we have recognised that for a number of years we have 'survived' (sometimes only just), but our ambition is to be an organisation that 'thrives' where people love to come as staff, volunteers, or

@SheffieldVolunteerCentre

@VolunteerSheff

from the local community. In order to do this we have recognised a number of steps to be taken - one of which is to strengthen the trustee group.

We would particularly welcome trustees with a background in:

- Special education or ESOL
- Finance / Fundraising
- Business administration
- HR and policy

We would also love to welcome members of the local community, who are under-represented in the group. While we are seeking to strengthen our trustee board, we would welcome people who might be able to take on a specific shorter term role (e.g. consulting on business development, or fundraising).

Meeting commitments

Trustees normally meet on the second Monday of every month from 5pm for no more than 2 hours.

During the spring and summer we try to meet in person at The Furnival premises.

During the autumn and winter we typically meet via video call (Zoom).

Verdon Street Enterprises

Additionally trustees of The Furnival are also trustees of Verdon Street Enterprise, a separate, but related limited company set up to maintain and manage 3 shop units adjacent to The Furnival. These units are nominally owned by The Local Authority, but managed by Verdon Street Enterprises. They are let to various local organisations who carry out commercial or charitable activities.

If you think you would like to have a role in helping our charity to thrive, please contact our Chair, Iain Cloke at iain.cloke@gmail.com.

Frequently Asked Questions

Can I volunteer?

Anyone can volunteer. People already in employment, full-time or part-time, refugees and asylum seekers, retired, students, unemployed and anyone else not mentioned here. Really, volunteering is for everyone.

When can I start?

It can take a few weeks for you to go through the application and recruitment process. The one thing that often takes the most time is the DBS police check (formerly CRB), though not all volunteering requires a police check.

What about my expenses?

Organisations should pay your travel and out of pocket expenses. To be registered with us we require this. Please contact us if you have had difficulty securing these expenses.

Do I need particular skills to volunteer?

Sometimes, depending on the voluntary role. But very often no particular skill is required; the organisation will give you the right training for your role.

How soon might I be able to find a paid job after I volunteer?

There is no guarantee that volunteering will lead to paid employment. But you will get a lot out of volunteering including new skills, experience and confidence, which can help with job prospects.

Will I get any support as a volunteer?

You should be given an induction when you start, training that is relevant to your role and catch-ups or supervisions relevant to your role.

I am an asylum seeker - am I allowed to volunteer?

Yes - you can volunteer as many hours as you want. There are no restrictions on asylum seekers volunteering. You are not allowed to do 'unpaid work' but volunteering is different. You are allowed to volunteer in a charity. Ask us for more information.

I'm on benefits - can I volunteer without losing my benefits?

Yes, you can - plus volunteering is recognised as giving you a better chance of finding paid work. So, you can volunteer as many hours as you like while you are on benefits, as long as you still meet the terms for getting them. If you are claiming Jobseeker's Allowance, this will mean you still need to look for paid work and you must be free to start a job with one weeks' notice.

It might be good to discuss your volunteering with your benefit agency so they are in the picture.

I am under 18 - can I volunteer?

Yes, you can. There are a range of opportunities set up for younger volunteers; you can download a list of these from our website. If you need help doing this, please call us on 0114 253 6649 or e-mail vc@vas.org.uk

I have a criminal conviction - can I volunteer?

You can, and many people with criminal convictions do. It all depends on the nature of your conviction, how recent it was, the kind of voluntary role you would like and the organisation where you wish to volunteer.

Any other questions? Please call us on 0114 253 6649 or email vc@vas.org.uk

Rights and responsibilities

As a volunteer you have a right to:

- Travel expenses
- Induction and relevant training
- Support and supervision
- Safe working conditions
- Insurance cover
- Being treated in accordance with an organisation's equal opportunities policy
- Access to a Complaints Procedure

Your responsibilities are:

- Working within the organisation's policies and procedures, which will be explained to you
- Working within the boundaries of the volunteering task profile
- Maintaining confidentiality as appropriate
- Informing the Volunteer Manager of any problems.
