ASSIST Sheffield Volunteers

We are currently recruiting new volunteers to join our team!

Our volunteers play a huge part in the work we do, bringing a wealth of experience and ensuring our vital services keep running. Volunteering with ASSIST is an opportunity to support and work with those seeking asylum on their journey towards experiencing greater stability, and to challenge destitution and the Hostile Environment by linking together material support and resistance.

Volunteers can join ASSIST in a variety of roles. Some work directly with the people we support (e.g., providing casework, interpreting, house visits, or offering information and signposting). Others support our wider networks through events and fundraising, or work behind the scenes in Finance, Administration, Grant Writing, IT, and Communications.

Click on the links below to see information on each role for which we are currently accepting applications:

- [Helpdesk](#)
- [Welfare](#)
- [Casework](#)
- [Housing Team Drop-In](#)
- [Events and Fundraising](#)
- [House Maintenance/DIY](#)
- [Finance](#)
- [Office Admin](#)
- [Hosts](#)

We especially welcome volunteers with direct, first-hand experience of seeking sanctuary or migration, as well as second-generation migrants. If you do not meet all of the listed criteria for a specific role but are passionate about our work, we still encourage you to register your interest, as we are committed to providing ongoing support and training.

How To Apply?

- [Click here to fill out our online application form.](#) Tell us which roles interest you, outline your relevant skills or life experience, and let us know why you'd like to join us. (Please note: Applicants must be 18 or over).
- We review all applications carefully. If your skills, experience, or interests align with an open role, we will invite you in for an informal chat.
- You will receive in-person training and a tailored induction to prepare you for your role.
- We ask all applicants to provide us with the contact details of two referees: these can be people you know from work or volunteering, social or academic networks, community roles, or other responsibilities.

Application Deadline: Tuesday 30th June

Certain roles, due to their nature, might additionally require a DBS check (i.e. a basic criminal record). This will always be explicitly stated in the role description and is paid for entirely by ASSIST.

Volunteer Training

Continuous learning is core to our community. Once you have accepted a role, you'll be required to attend our induction programme, which includes an Introduction to ASSIST (online at your own pace), as well as training on Confidentiality, Safeguarding, and Boundaries. You will also receive role-specific training where relevant, such as for Casework or Helpdesk volunteering roles.

All training sessions will take place during the weeks commencing 20th and 27th July.

No Panic

Anxiety Helpline Volunteer

No Panic is a national charity at the frontline of help for anxiety sufferers. The key service we offer is our helpline, open 10am to 10pm every day, and at the end of the line are our trained volunteers, waiting to answer the calls.

Those who call us can be struggling across a range of anxiety disorders. They may be suffering from general anxiety or having a panic attack; they could be afraid to leave their home, or anxious about someone coming to visit; perhaps they have OCD or have suffered a trauma, or maybe they struggle with a phobia.

Dozens of people call us every day, and at the end of the line is someone who will listen to them, give reassurance and discuss the many ways to bring relief from their anxiety.

If you have ever suffered from anxiety yourself or given emotional support to someone who is struggling to cope, you will understand why people call our helpline and if you are also a good communicator, empathetic and a good listener, then you would be an ideal person to take those calls.

Our busiest times are during the day, so if you are available then, all the better.

You don't have to leave your home, so mobility problems aren't an issue - all you need is a phone and a laptop and to be available to cover a 3-hour shift every week. We will give you all the training and support you need.

Be a Trustee!

Explore the latest
Trustee and
Management
Committee roles in
Sheffield

Why should I become a trustee?

- **Becoming a trustee could boost your career**

Trustees are exposed to a wide range of skills needed to oversee a charity: strategy and business planning, governance, HR, finance, marketing, fundraising, evaluation, property law and more. It can be an effective way to build your skills and your CV.

- **Become a trustee and give back to your community**

As a trustee, you can donate your skills, time and attention to a cause you love.

Trustees are often drawn to a charity because they're passionate about a particular cause, whether that's something they're interested in or something they've experienced themselves.

- **Become a trustee and share your skills, knowledge and experience**

Everyone has something unique to offer a charity.

What about the time commitment? Because charities are all so different, the time commitment can vary hugely – from around five hours per week to 30 hours per year - so it's vital you find a role that fits the time you can give.

Every trustee needs to:

- Make time to prepare for and attend meetings – sometimes once a month, but often 4 to 6 times a year; meetings vary from 1 to 2 hours to a full day each, depending on the charity and how often meetings are held.
- Be ready to support the charity between meetings or with other activities for example:
 - Considering issues over email or discussing matters over the phone with staff, other trustees, or the charity's external advisers
 - Helping organise a fundraising event or developing a fundraising strategy
 - Doing the bookkeeping for the charity
 - Acting as an ambassador for the charity
 - Sitting on a committee that looks in more detail at a specific aspect of the charity's work, such as finance, HR or safeguarding.

Gleadless Valley Foodbank has supported local people facing hardship since **2013**. We are now looking for **up to four new volunteer trustees** to join our board and help guide the next stage of our development.

This is an exciting time for the organisation as we strengthen our governance, grow partnerships and explore new opportunities to support local residents.

Who we are looking for

- Finance / accounting
- Fundraising or grant funding
- Community development

@SheffieldVolunteerCentre

@VolunteerSheff

- Communications or marketing
- Local knowledge of Gleadless Valley

However, **please don't be put off if you don't have formal experience**. If you are from Gleadless Valley and are interested in the role, we would still love to hear from you. Many people bring valuable **transferable skills from work, volunteering and life experience**, and support can be provided for new trustees.

We are especially keen to hear from people who **live locally or have lived experience of the issues our community faces**, but this is not essential.

Why join us?

This is a chance to help shape a project that is growing beyond a foodbank into a wider community hub, supporting people and families across Gleadless Valley.

Interested?

If you would like to find out more or have an informal conversation about the role, please get in touch.

We are committed to building a **diverse and representative board** that reflects the community we serve.

We particularly welcome applications from people who are **currently underrepresented in charity governance**, including people from working-class backgrounds, people with lived experience of poverty, younger people, people from minority ethnic backgrounds, disabled people, and residents of Gleadless Valley.

We believe strong boards are made up of people with **different perspectives, skills and life experiences**, and we would love to hear from you if you are interested in contributing to the future of the 189 Project

The Furnival

Charity Trustee

Burgreave-based charity seeking new trustees

Who we are

The Furnival seeks to reach out into the very diverse community surrounding it. The Furnival was incorporated as a charitable limited company in 2013. Our vision is of a vibrant diverse and inclusive community, in which people know they are valued and fulfil their full human potential. We are part of our community, to provide a safe and stimulating space for listening, learning, growing and building relationships.

What We Do

The Furnival has responded to its changing community and adapted its activities over the years. Our current activities are varied but primarily include Creative English and Multiply (ESOL and numeracy for ESOL), a community cooking group using 'fair share food', group cultural and wellbeing outings to the cinema and countryside; a sewing group, and health and fitness sessions such as Pilates classes. We reach out to local women and children, from various international backgrounds.

Our Basis and Values

The Furnival has roots with the local Methodist church, however we serve and welcome participants and trustees of all faiths and none. The Furnival aims to create a public benefit through the provision of a physical base, which is a safe space for its beneficiaries, situated at the very centre of one of Sheffield's most deprived communities. The key policy is to provide access to resources and maintaining respect for everyone, irrespective of race, culture, gender, religion, ability/disability, or sexual orientation.

Our values are to help people help themselves by being:

- Holistic
- Caring
- Welcoming
- Inclusive
- Hopeful
- Effective

Our Trustees

We currently have 4 trustees, all with relevant professional experience, and a passion for the work of The Furnival. As a trustee group, we have recognised that for a number of years we have 'survived' (sometimes only just), but our ambition is to be an organisation that 'thrives' where people love to come as staff, volunteers, or from the local community. In order to do this we have recognised a number of steps to be taken - one of which is to strengthen the trustee group.

We would particularly welcome trustees with a background in:

- Special education or ESOL
- Finance / Fundraising
- Business administration
- HR and policy

@SheffieldVolunteerCentre

@VolunteerSheff

We would also love to welcome members of the local community, who are under-represented in the group. While we are seeking to strengthen our trustee board, we would welcome people who might be able to take on a specific shorter term role (e.g. consulting on business development, or fundraising).

Meeting commitments

Trustees normally meet on the second Monday of every month from 5pm for no more than 2 hours.

During the spring and summer we try to meet in person at The Furnival premises.

During the autumn and winter we typically meet via video call (Zoom).

Verdon Street Enterprises

Additionally trustees of The Furnival are also trustees of Verdon Street Enterprise, a separate, but related limited company set up to maintain and manage 3 shop units adjacent to The Furnival. These units are nominally owned by The Local Authority, but managed by Verdon Street Enterprises. They are let to various local organisations who carry out commercial or charitable activities.

If you think you would like to have a role in helping our charity to thrive, please contact our Chair, Iain Cloke at iain.cloke@gmail.com.

Yorkshire Cricket Foundation

Board Trustee / Non-Executive Director

Role Overview

Following the merger of the Yorkshire Cricket Foundation and the Yorkshire Cricket Board in July 2025, the formation of a single, unified charitable body represents a significant strategic evolution for cricket in Yorkshire. This new organisation combines responsibility for grassroots recreational cricket across the county; and a charitable mission to use cricket as a force for social good in Yorkshire's communities.

Led by our Chair, the YCF Board of Trustees works with the Managing Director and his team to define the tone, strategic direction, governance culture and public presence of the Foundation. Being a YCF Trustee is a great opportunity to be at the heart of one of the most passionate and diverse cricketing communities in the world.

Key Responsibilities of Trustees

- Provide oversight to ensure the Foundation delivers its charitable mission effectively.
- Ensure high standards of governance, integrity and accountability.
- Support and challenge the executive team, acting as a critical friend to the executive.
- Act as visible and trusted ambassadors for the Foundation across Yorkshire and within the wider cricketing and charitable landscape.
- Champion diversity, equity and inclusion in governance, decision-making and delivery.
- Guide the Foundation through its early years, helping to build credibility, clarity of purpose and sustainable impact.

Frequently Asked Questions

Can I volunteer?

Anyone can volunteer. People already in employment, full-time or part-time, refugees and asylum seekers, retired, students, unemployed and anyone else not mentioned here. Really, volunteering is for everyone.

When can I start?

It can take a few weeks for you to go through the application and recruitment process. The one thing that often takes the most time is the DBS police check (formerly CRB), though not all volunteering requires a police check.

What about my expenses?

Organisations should pay your travel and out of pocket expenses. To be registered with us we require this. Please contact us if you have had difficulty securing these expenses.

Do I need particular skills to volunteer?

Sometimes, depending on the voluntary role. But very often no particular skill is required; the organisation will give you the right training for your role.

How soon might I be able to find a paid job after I volunteer?

There is no guarantee that volunteering will lead to paid employment. But you will get a lot out of volunteering including new skills, experience and confidence, which can help with job prospects.

Will I get any support as a volunteer?

You should be given an induction when you start, training that is relevant to your role and catch-ups or supervisions relevant to your role.

I am an asylum seeker - am I allowed to volunteer?

Yes - you can volunteer as many hours as you want. There are no restrictions on asylum seekers volunteering. You are not allowed to do 'unpaid work' but volunteering is different. You are allowed to volunteer in a charity. Ask us for more information.

I'm on benefits - can I volunteer without losing my benefits?

Yes, you can - plus volunteering is recognised as giving you a better chance of finding paid work. So, you can volunteer as many hours as you like while you are on benefits, as long as you still meet the terms for getting them. If you are claiming Jobseeker's Allowance, this will mean you still need to look for paid work and you must be free to start a job with one week's notice.

It might be good to discuss your volunteering with your benefit agency so they are in the picture.

I am under 18 - can I volunteer?

Yes, you can. There are a range of opportunities set up for younger volunteers; you can download a list of these from our website. If you need help doing this, please call us on 0114 253 6649 or e-mail vc@vas.org.uk

I have a criminal conviction - can I volunteer?

You can, and many people with criminal convictions do. It all depends on the nature of your conviction, how recent it was, the kind of voluntary role you would like and the organisation where you wish to volunteer.

Any other questions? Please call us on 0114 253 6649 or email vc@vas.org.uk
